

### TYPEFACE:

The layout of the font of the typeface along with the image surrounding it adds significance and purpose to the album cover. Emphasizes the play on words.

### REPETITION:

The repetition of the hangers and identical articles of clothing add emphasis to the main purpose of the cover. Clothing, simplicity, and essentially being underdressed

### CONTRAST:

The contrast of the royal blue and white solidifies a color palette. These highlight the themes of the album. Faye Webster's hair and the clothing hangers also correlate focusing the cover on 3 main colors.
